Ms. Lipeles -

Attached is a copy of some of the file materials in response to your FOIA request [(7) RIN 89-541)]. This includes two of the documents we discussed this morning, as well as the final RFA report.

We have confirmed with Monsanto's legal division that you are an attorney for Monsanto. This is a partial response to your FOIA request. We will be developing a complete response for you.

to declare the these documents as confidential business information. Since we have been informed that you are acting as counsel for Monsanto, EPA does not consider the confidential business information withholding to be necessary in this case.

The till the statement of the

Sincerely yours,

Marcus G. Rivas
